

VI International Conference DIDACTICS IN CHEMISTRY

PONENCIAS PLENARIAS

Online Conference

MAY

From the 22nd to the 24th of 2025.

The objective of these Conferences is to create a framework to improve the teaching of chemistry, where teaching professionals can meet, share and exchange experiences that allow them to improve their teaching performance.

Prof. Sir Martyn Poliakoff
University of Nottingham

Prof. Dr. Efraím Reyes
Universidad del Pais Vasco

Prof. Dra. M^a. Teresa Rodríguez
Universidad Nacional Autónoma
de México

ORGANIZATION

The Association of Chemists of Galicia.

Rúa Lisboa, 10 - Edificio Área Central
1ª Planta Local 31-E
15707. Santiago de Compostela.

Tel. +34 623 033 325
secretaria@colquiga.org
